Winter 2020

Registering player, coach, team manager

Introduction

What has changed for Winter 2020

Basketball Victoria have developed a new system specific to basketball to register and manage players, venues, fixtures, etc., which requires players, coaches and team managers to register individually with them AS WELL AS with their preferred Club.

Previously, players would register with their Club who would then place them in a team. The teams would then be registered with the Association and a fee paid by the Club to the Association dependent on the age of the

Association pays Basketball Victoria for services, e.g. insurance, legal

players in the team (e.g. Miniball team registration fee is \$65 per team per season, U8 to U11 is \$85, U12 to U21 is \$125, etc.). From these team registration fees, the Association would then pay Basketball Victoria to cover costs of insurance, administration, governance, legals, etc.

From Winter 2020, each player will be required to register and pay Basketball Victoria & KMDBA directly. The Basketball Victoria payment is valid for 12 months from date of payment; KMDBA and Club fees are payable before each season starts.

If a player registers and pays late in the season, they will not get the full 12 months and will be required to pay before the end of the 12 month period (i.e. before the season starts) otherwise their registration will lapse during the season.

Preferred Registration & Payment Option

Player has to register with **Basketball Victoria**, KMDBA and Club BEFORE Winter season starts

Player has to register with KMDBA and Club BEFORE Summer season starts
